

My Music is gone

Persephone

My music is gone
My music is gone
I can't hear my heart
I can't hear my life
My lips closed forever
'Cause my music is gone

My music is gone
My music is gone
I can't hear my love
I hear my pain
My lips closed forever
'Cause my music is gone

My music is gone
My music is gone
I can't hear my feelings
I can't hear my tears
My lips closed forever
'Cause my music is gone

My music is gone
My music is gone
I can't hear my thoughts
I can't hear my fears
My lips closed forever
'Cause my music is gone
