

Stay Calm

Person L

Wait
Come on and wait up
Don't stray from the pack
Keep
Just try and keep up
Don't fall to the back
Gone
Stay calm
Do whatever you want
You still can
It's cake
It's a cakewalk
No sweat
There's nothing to it
Guess your way through it
Safe bet
Follow the rest
Gone
Stay calm
Do whatever you want
You will
Don't stray far
Be happy where you are
You're still here
