The Seed

Person L

Knocked up nine months ago
And where we goin she don't know
She wants neo soul cause hip hop is old
She don't want no rock'n roll
She want platinum, ice and gold
She want a whole lot of somethin' to fold
If you're an obstacle she'll just drop you cold
Cause one monkey don't stop the show
Little Mary's bad
In these streets she done ran
E'ry since when the heat began
I told the girl look here
Calm down I'm gonna hold your hand
To enable you to keep the plan
Because you'se quick to learn
And we can make money to burn
If you allow me the lay this game
I don't ask for much but enough to room to spread my wings
And a world fittin to know my name, just listen to me

I don't ask for much these days
And I don't bitch and whine if I don't get my way
I only wanna fertilize another behind my lover's back
I sit and watch it grow standin where I'm at
Fertilize another behind my lover's back
And I'm keepin my secrets mine
I push my seed in her bush for life
It's gonna work because I'm pushin it right
If Mary dropped my baby girl tonight
I would name her rock n roll

A Cadillac need space to roam
Where we headed for? She don't know
We in the city where the pros shake, rattle, and roll
And I'm a God dang rollin stone
I don't beg, I can hold my own
I don't break, I can hold the chrome

And it's weighin a ton, and I'm a son of a gun
My code name is The Only One
And Black Thought is bad
The mean streets he done ran
E'r since when the game began
I never played the fool
Matter fact, I've been keepin it cool
Since money been changin hands
And I'm left to shine
The legacy I leave behind
Be the seed that'll keep the flame
I don't ask for much but enough room to spread these wings
And the world finna know my name

I don't beg from no rich man
And I don't scream and kick when his shit don't fall in my hands, man
Cause I know how to steal
Fertilize another against my lover's will
I lick the opposition cause she don't take no pill

Oooh oooh oooh dear
You'll be keepin my secrets mine
I push my seed in her bush for life
It's gonna work because I'm pushin it right
If Mary dropped my baby girl tonight
I would name her rock n roll

Oooh break it down, break down the beat

I push my seed somewhere deep in her chest
I work it naked cause I've taken my test
Deliver it, Mary, it don't matter the sex
I'm gon name it rock n roll

I push my seed in her bush for life
Oh It's gonna work because I'm pushin it right
If Mary dropped my baby girl tonight
I would name her rock n roll
I would name her rock n roll,
I would name her rock n roll,
