

## Extreme Unction

## Pestilence

Passed the door of death  
Hereafter place to be  
Fortified with the rites  
Clerical loyalty

Final means of grace  
Time has taken your life away  
Cadaverous corporal constitution  
Future lies in decay

Extreme unction  
Sacrament of death  
Mortality destiny  
Inevitable in humanity

Funeral oration  
Mourning for the dead  
Gone away, left for  
Another life instead  
Procession is passing by  
Flowing tears of grief  
Let us pray for the dead  
Hold on to your belief
