Pestilence

This is the year to hate To be consumed by the eternal fire Rise up for reconciliation too late Bury the truth it's time for the liar I see you - For what you are I see you - All consuming I see you - We came this far I see you - Death is blooming Year to Hate Peace now belongs to the past Global transformation into the world of tears Plague of hate for a year to last Roam free and load up your gear I see you - For what you are I see you - All consuming I see you - We came this far I see you - Death is blooming Y2H Negativity now makes us blind As we destroy all that is known to mankind Feeding on hate and greed, we lust For our ego's to expand, no one we trust I see you - For what you are I see you - All consuming I see you - We came this far I see you - Death is blooming
