

# A Face Like That

Pet Shop Boys

With a face (face face)  
With a face (face face)  
With a face (face face)

Only this morning  
Without any warning  
The tropical storm was passing through  
And so were you

I heard the waves crashing  
Saw your eyes flashing  
The tropical storm was passing through  
And so were you

With a face like that  
How couldn't I want you  
With a face like that  
Why wouldn't I fall in love with you  
With a face like that

With a face like that  
You could earn a fortune  
With a face like that  
You could land on the moon  
With a face like that  
The world is your oyster  
With a face like that  
In a place like this

Why wouldn't I fall in love  
With a face (with a face, with a face...)  
Why wouldn't I fall in love  
With a face like (like, like...)

Thunder and lightening  
Tension was heightening  
Wind and the rain and much more weird  
An apparition appeared

Standing so near me  
You put the fear of god in me  
Felt like the town was falling down  
And there you were

With a face like that  
How couldn't I want you  
With a face like that  
Why wouldn't I fall in love with you  
With a face like that

With a face like that  
You should be anointed  
With a face like that  
Could I book an appointment?  
With a face like that  
You're the world's most wanted  
With a face like that

In a place like this

Why wouldn't I fall in love

With a face like that

Why wouldn't I fall in love

With a face like that
