

# Did You See Me Coming?

Pet Shop Boys

Did you see me coming?  
Was I that obvious?  
For all of a sudden  
There were just the two of us

You don't have to be in Who's Who  
To know what's what  
You don't have to be a high flier  
To catch your flight

The night we met  
Was cold and wet  
I needed a drink or two  
I saw you standing there  
And I knew  
I'd love to be loved by you

Did you see me coming?  
Was I that obvious?  
For all of a sudden  
There were just the two of us

You don't have to be what's what  
To know who's who  
You don't need the DNA  
To find the proof  
Then and there my life made sense  
You were the evidence

Did you see me coming?  
Was I that obvious?  
For all of a sudden  
There were just the two of us  
Did you see me coming?  
I thought I'd have to make  
All of the running  
I was all yours to take

I'm not superstitious  
Or really religious  
Just to myself be true  
But now I think I'm starting to believe in fate  
Because it delivered you

Did you see me coming? (did you see me?)  
Was I that obvious? (was I that obvious?)  
For all of a sudden (for all of a sudden)  
There were just the two of us (two of us)  
Did you see me coming? (did you see me?)  
I thought I'd have to make (thought I'd have to make)  
All of the running (all of the running)  
I was all yours to take (to take)  
(2x)
