

## Dreaming Of The Queen

Pet Shop Boys

Dreaming of the Queen  
Visiting for tea  
You and her and I  
And Lady Di

The Queen said: "I'm aghast  
Love never seems to last  
However hard you try"  
And Di replied

That there are no more lovers left alive  
No one has survived  
So there are no more lovers left alive  
And that's why love has died  
Yes, it's true  
Look, it's happened to me and you

Then carriages arrived  
We stood and said goodbye  
Diana dried her eyes  
And looked surprised

For I was in the nude  
The old Queen disapproved  
But people laughed and asked  
For autographs

And there were no more lovers left alive  
No one had survived  
So there were no more lovers left alive  
And that's why love had died  
Yes, it's true  
Look, it's happened to me and you

I woke up in a sweat  
Desolate

For there were no more lovers left alive  
No one had survived  
So there were no more lovers left alive  
And that's why love had died  
Yes, it's true  
Look, it's happened to me and you
