

Look at me, said just look at me  
Just look at me  
I'm just so groovy  
Look at me, said just look at me  
Just look at me  
I'm just so groovy

Feeling good, in the mood  
That's the state I'm in  
Always will dress to kill  
Let the show begin

I've been in moments  
I've gotta be seen  
I'm gonna go out  
And revive the dream

Look at me, said just look at me  
Just look at me  
I'm just so groovy  
Look at me, said just look at me  
Just look at me  
I'm just so groovy

When they see the latest me  
People stop and stare  
I don't mind, I'm on cloud nine  
I can walk on air

I've been in moments  
I've gotta be seen  
I'm gonna go out  
And revive the dream

Look at me, said just look at me  
Just look at me  
I'm just so groovy  
Look at me, said just look at me

Look at me, said just look at me  
Just look at me  
I'm just so groovy  
Look at me, said just look at me
