## Pandemonium

## **Pet Shop Boys**

Is this a riot or are you just pleased to see me? Why aren't we home and hold the talking sweet I love you really, though I know no-one believes me There's chaos every time we meet

Oh no, look what you've gone and done You're creating pandemonium That song you sing means everything To me, I'm living in ecstasy The stars and the sun dance to your drum And now it's pandemonium!

You're crashing everywhere, it's like you're smashing china Skidding on an icy road You're major trouble since you were almost a minor I sometimes think we'll both explode

Oh no, look what you've gone and done You're creating pandemonium That song you sing means everything To me, I'm living in ecstasy My world's gone mad, what did you do? Telling perfect strangers that I love you The stars and the sun dance to your drum And now it's pandemonium!

I can't make sense of anything All I know is the party's in full swing If we both just stopped for a minute I declare war and then you'd win it

To tell you the truth, I thought I was shockproof Until I saw what you get up to When you think about it, it's quite an achievement That after all I still love you

Oh no, look what you've gone and done You're creating pandemonium That song you sing means everything To me, I'm living in ecstasy My world's gone mad, what did you do? Telling perfect strangers that I love you The stars and the sun dance to your drum And now it's pandemonium!
