

Se a Vida É (That's the Way Life Is)

Pet Shop Boys

Come outside and see a brand new day
The troubles in your mind will blow away
It's easy to believe they're here to stay
But you won't find them standing in your way

Se a vida e, I love you
Come outside and feel the morning sun
Se a vida e, I love you
Life is much more simple when you're young

Come on, essa vida e
That's the way life is, that's the way life is

Although we see the world through different eyes
We share the same idea of paradise
So don't search in the starts for signs of love
Look around your life, you'll find enough

Se a vida e, I love you
Come outside and feel the morning sun
Se a vida e, I love you
Life is much more simple when you're young

Come on, essa vida e
That's the way life is, that's the way life is

Why do you want to sit alone in Gothic gloom
Surrounded by the ghosts of love that haunt your room?
Somewhere theres a different door to open wide
You gotta throw those skeletons out of your closet and come outside

So you will see a brand new day
The troubles in your mind will blow away
It's easy to believe they're here to stay
But you won't find them standing in your way

Se a vida e, I love you
Come outside and feel the morning sun
Se a vida e, I love you
Life is much more simple when you're young

Come on, essa vida e
That's the way life is, that's the way life is
Come on, essa vida e
That's the way life is, that's the way life is

Se a vida e, I love you
Come outside and feel the morning sun
Se a vida e, I love you
Life is much more simple when you're young
