

That's My Impression

Pet Shop Boys

I went looking for someone I couldn't find
Staring at faces by the Serpentine
Walking slowly, I realised
You'd been and gone - I know you lied
 That's my impression
 That's my impression
 That's my impression
 That's my impression

The wind was chilly and the sky was dull
I went for shelter to the temple
Once inside I couldn't believe my eyes
You'd been and gone - I know you lied
 That's my impression
 That's my impression
 That's my impression
 That's my impression

Go to a club - you think I'll be there
I don't go 'cause I'm not a member
You said you went to apologise
It's plain to me that's one more lie
 That's my impression
 That's my impression
 That's my impression (impression)
 That's my impression

I went looking for someone I couldn't find
Staring at faces by the Serpentine
Walking slowly, I realised
You'd been and gone - I know you lied
 That's my impression
 That's my impression
 That's my impression
 That's my impression
 It's an expression
 And a suggestion
 I learned my lesson
 That's my impression
 That's my impression (impression)
 That's my impression
 That's my impression (impression)
 I learned my lesson

I went looking for someone I couldn't find
Staring at faces by the Serpentine
Walking slowly I - realised
You'd been and gone - I know
 You lied - that's my impression
 I know you lied
 And that's my impression
 That's my impression
 My impression
 That's my impression
