It's another world here  
The streets are gleaming  
I was even dreaming  
That they're paved with gold

Seventeen, at half past ten  
All the crowds are surging past  
An electric display

There's another world here  
Below shop windows  
Upon the pavement  
Where you wave goodbye

Boys and girls  
Come to roost  
From Northern parts  
And Scottish towns  
Will we catch your eye?

While you pretend not to notice  
All the years we've been here  
We're the bums you step over  
As you leave the Theatre  
(Yeah)  
(Yeah)

It's another world here  
Somebody is singing (Yeah)  
I was only wishing  
For a bit of cash

From a patron of the arts  
Or at least the phantom of the opera  
Will I catch your eye?

While you pretend not to notice  
(Tu ru tu tu tu tu Tu ru tu tu tu tu Tu ru tu tu tu tu)  
All the years we've been here  
We're the bums you step over  
(Tu ru tu tu tu tu Tu ru tu tu tu tu Tu ru tu tu tu tu)

As you leave the Theatre  
(Yeah)  
(Yeah)

(Ha ha ha ha...)

Pavarotti in the park  
Then you walked back up the Strand  
Did you catch my eye?

And then pretend not to notice  
(Tu ru tu tu tu tu Tu ru tu tu tu tu Tu ru tu tu tu tu)  
All the years we've been here  
We're the bums you step over  
(Tu ru tu tu tu tu Tu ru tu tu tu tu Tu ru tu tu tu tu)  
As you leave the Theatre  
(Yeah)  
(Yeah)

In the end, you pretend  
(Tu ru tu tu tu tu Tu ru tu tu tu tu Tu ru tu tu tu tu)  
'Cause it's so much easier  
We're the bums you step over  
(Tu ru tu tu tu tu Tu ru tu tu tu tu Tu ru tu tu tu tu)  
As you leave the Theatre (Yeah)  
(Yeah)  
(Yeah)  
(Tu ru tu tu tu tu Tu ru tu tu tu tu)  
Tu ru tu tu tu tu Tu ru tu tu tu tu)

We're the bums you step over  
(Tu ru tu tu tu tu Tu ru tu tu tu tu Tu ru tu tu tu tu)  
As you leave the Theatre  
(Yeah)  
(Yeah)
