

## Thursday

### Pet Shop Boys

Would you love me olive?  
I hear a dream  
Don't say it's over over over  
Come on, don't fight it  
The time's for the truth  
Don't say it's over over over  
I miss the meaning,  
Express the feeling  
It's not over over over  
You look unique to me  
It speaks of intimacy  
And start over over over

Come on  
Wind your lips

Thursday, gram on Friday  
It's soon gonna be the weekend  
Let's start tonight baby  
Stay with before the week ends

It's Thursday night  
Let's get it right  
I wanna know you're gonna stay for the weekend  
Starting tonight  
Let's do it right  
I wanna know you're gonna stay for the weekend  
Thursday, Friday  
Saturday, Sunday  
I wanna know you're gonna stay for the weekend  
Thursday, Friday  
Saturday, Sunday  
Stay with me for the weekend

It could be now  
It could be tomorrow  
But it's not over over over  
I'm lost in a dream about you and me  
And it's not over over over  
And you're on for the night  
I'll tell my friends  
That it's not over over over  
So tell me tomorrow  
Just become thorough  
And it's not over over over

Come on  
Wind your lips

Thursday, gram on Friday  
It's soon gonna be the weekend  
Let's start tonight baby  
Stay with before the week ends

It's Thursday night  
Let's get it right  
I wanna know you're gonna stay for the weekend

Starting tonight  
Let's do it right  
I wanna know you're gonna stay for the weekend  
Thursday, Friday  
Saturday, Sunday  
I wanna know you're gonna stay for the weekend  
Thursday, Friday  
Saturday, Sunday  
Stay with me for the weekend

I'mma take that trip down memory lane  
But you'll never gonna feel the same  
But you'll never gonna take the blame  
Change your name, and you rock the game  
See your head outside, feel the rain  
Someone in yo brain, can't break the chain  
Same mistake again, fake the pain again  
Day to day, you proud waky waky now  
Holy cow you've been gone  
You left and now you feel down  
Your heart lies back in that town  
So creep back and don't make a sound  
Or lose your crown again, sleep around again  
Tell your friends that you're proud  
Or watch yourself or you'll really welcome life  
Don't follow that crowd

I never tried to make you walk into the deep end  
And now I find myself awake for all the weekend  
I never tried to force that Sunday morning creeping  
I want to stay but how much more? gotta go home

It's Thursday night  
Let's get it right  
I wanna know you're gonna stay for the weekend  
Starting tonight  
Let's do it right  
I wanna know you're gonna stay for the weekend  
Thursday, Friday  
Saturday, Sunday  
I wanna know you're gonna stay for the weekend  
Thursday, Friday  
Saturday, Sunday  
Stay with me for the weekend
