It's Hard Enough Knowing

Pete Shelley

It's hard enough knowing And harder still showing What you feel when you're in love Well it's ok you say it plain But I don't mind it's all a game It's hard to believe in That you've been deceivin' Me with all of your lies I don't know what I ought to do But I know that I still love you I've given up wishin' For what has been missin' When I've looked in your eyes You know that it's all up to you There's nothing else that I can do In my heart I am prayin' That you will be stayin' Here with me by my side I don't want it to end this way What else more can I say It's hard enough knowing And harder still showing What you feel when you're in love Well it's ok you say it plain But I don't mind it's all a game It's hard to believe in That you've been deceivin' Me with all of your lies I don't know what I ought to do But I know that I still love you
