

Qu'est-ce Que C'est Que Ca

Pete Shelley

Have you seen them in the skies?
I've been searching for the things I cannot hide
Wishes for me
Wishes for you
Would it makes us happy if our wishes all came true?
Will I ever find the answer
To the questions that I ask myself sometimes?
Is there a reason or is that just in my mind?
Why am I here ?
Why are you there?

Are we all that different that there's nothing we can share?
Will I ever find the answer?
Is there even an answer?
Qu'est-ce que see'est que ca?
I wonder who knows?
Qu'est-ce que see'est que ca?
La meme chose
Is there anybody out there?
I've been thinking
Do we really have a soul?

Is there a heaven?
Do you believe all that you're told?
Salvation for you
Damnation for me
Is this all that there is or are there things that we can't see
?
Maybe meditation could improve my concentration
I need an indication to establish a relation
Qu'est-ce que see'est que ca?
I wonder who knows?
Qu'est-ce que see'est que ca?

La meme chose
And I wonder
I wonder if you wonder too
Qu'est-ce que see'est que ca?
I wonder who knows?
Qu'est-ce que see'est que ca?
La meme chose
Qu'est-ce que see'est que ca?
I wonder who knows?
Qu'est-ce que see'est que ca?
La meme chose
