

Brilliant Blues

Pete Townshend

Say goodbye to the brilliant blues
Say goodbye to the brilliant blues
Say goodbye

It's time to live
So make me, take me
It's time to give
So don't betray me, pay me

The brilliant blues, don't want to be frozen
I'll spend my mornings at the sunshine cafe
I've read the news, the clique-ridden notions
I know that now is the time to say

It's time
(Say goodbye to the brilliant blues)
To teach
(Say goodbye to the brilliant blues)

So tell me
(Say goodbye to the brilliant blues)
Come on and tell me
(Say goodbye to the brilliant blues)

It's time
(Say goodbye to the brilliant blues)
To preach
(Say goodbye to the brilliant blues)

So help me
(Say goodbye to the brilliant blues)
Come on and help me
(Say goodbye to the brilliant blues)

The brilliant blues will never flow this way again
The color of the Mersey is gray
The brilliant blues have faded into sadness and pain
And now is the time to say it's time

You and me are gonna to finally sail away
(We'll get far away from the blues and the mist in the rain)
You and me are gonna fight until we reach the day
(For now is the time that we must say goodbye)
To the brilliant blues

The brilliant blues, I don't want to be frozen
I'll spend my mornings at the sunshine cafe
I've read the news, the clique-ridden notions
I know that now is the time to stay

It's time
(Say goodbye to the brilliant blues)
To trust
(Say goodbye to the brilliant blues)

So buy me
(Say goodbye to the brilliant blues)

Come on and try me
(Say goodbye to the brilliant blues)

It's time
(Say goodbye to the brilliant blues)
To trust
(Say goodbye to the brilliant blues)

So guide me
(Say goodbye to the brilliant blues)
Stay beside me
(Say goodbye to the brilliant blues)

The brilliant blues will never flow this way again
The color of the Mersey is gray
The brilliant blues have faded into sadness and pain
And now is the time to say it's time
