## **Face Dances Part Two**

## **Pete Townshend**

I watch you sit and twitching With a match between your teeth You seem to have a knack of moving it It's in time to the beat Face dances tonight, fate chances moonlight Face dances tonight, fate chances moonlight I can't be distracted By the stuttering of the kids I just sit enraptured By your fluttering eyelids Face dances tonight, fate chances moonlight Face dances tonight, fate chances moonlight I can only stare You make me feel like I don't care I can only stare You make me feel like I don't care I can only stare You make me feel like I don't care Your eyes explain a story That never had a start Your brow reveals the glory That's hidden in your heart Face dances tonight, fate chances moonlight Face dances tonight, fate chances moonlight Your skin is fine China White as winter snows Your lips are always shining Turning up your nose Face dances tonight, fate chances moonlight Face dances tonight, fate chances moonlight
