

## Getting In Tune

Pete Townshend

I'm singing this note  
'Cause it fits in well with the chords I'm playing  
I can't pretend there's any meaning hidden  
In the things I'm saying  
But I'm in tune  
Right in tune  
I'm in tune  
And I'm gonna tune  
Right in on you  
Right in on you  
Right in on you

I get a little tired of having to say  
'Do you come here often'  
When I look in your eyes  
I see the harmony  
And the heartaches soften  
I'm getting in tune  
Right in tune  
I'm in tune  
And I'm gonna tune  
Right in on you  
Right in on you

I've got it all here in my head  
There's nothing more needs to be said  
I'm just banging on the old piano  
Getting in tune to the straight and narrow

I'm singing this song  
'Cause it fits in well with the way I'm feeling  
There's a symphony that I hear in your heart  
Sets my head a reeling  
I'm in tune  
Right in tune  
I'm in tune

I've got it all here in my head  
There's nothing more needs to be said  
I'm just banging on the old piano  
I'm getting in tune to the straight and narrow
