

La-la Lies

Pete Townshend

If I'm so lost without a friend
Tell me, who's this by my side?
This girl with eyes like gems
And cool reactions to your lies, lies
La la la la la la lies

You can't repeat what you put 'round
All the things that made me cry
You kicked me when I was down
And they hurt me all those lies, lies
La la la la la la lies

I've got my girl and together we're strong
To laugh at you and prove you wrong

I don't insist that you feel bad
I just want to make you smile
Don't ever think you made me mad
I didn't listen to your lies

If I'm so lost without a friend
Tell me, who's this by my side?
This girl with eyes like gems
And cool reactions to your lies, lies
La la la la la la lies

I don't insist that you feel bad
I just want to make you smile
Don't ever think you made me mad
I didn't listen to your lies
