## La-la Lies

## **Pete Townshend**

If I'm so lost without a friend Tell me, who's this by my side? This girl with eyes like gems And cool reactions to your lies, lies La la la la la la lies

You can't repeat what you put 'round All the things that made me cry You kicked me when I was down And they hurt me all those lies, lies La la la la la la lies

I've got my girl and together we're strong To laugh at you and prove you wrong

I don't insist that you feel bad I just want to make you smile Don't ever think you made me mad I didn't listen to your lies

If I'm so lost without a friend Tell me, who's this by my side? This girl with eyes like gems And cool reactions to your lies, lies La la la la la la lies

I don't insist that you feel bad I just want to make you smile Don't ever think you made me mad I didn't listen to your lies
