

Mary

Pete Townshend

Mary, you are everything a man could want
And I want you, Mary.
Did you know when you pushed me once away from you
The thing I knew grew inside me.

People are dancing for you now
But I can't see why
Can't they see that they can't beat
Nothing I have for you

Mary, you are everything a man could need
How I need you, Mary
Yeah
How I need you

When I look at the hole in your coat
I have to love you more
But when women let my brother down
I swore one day I'd land
Me one Mary
Swore I'll land me one Mary
Oh, Mary

When I look at the hole in your coat
I have to love you more
I remember when I was a child
My brother slept on the floor

Oh, I know that the sun don't shine
Down on every man
But when the woman let my brother dow
I swore one day I'd land me Mary
I swore I'd land me Mary
