

## New Life (reprise)

Pete Townshend

BADGER and CROW

What we want is a brand new year  
Open your heart and set us free  
What we need is a brand new life  
We'll decide on our own destiny

WOODLAND CREATURES

What we want is a brand new life  
For every brother and sister - husband and wife  
For the single and lonely, living in fear  
What we want is a brand new year

CROW

While this year is still young enough for laughter  
We must insist that no tears follow after  
Resolve to be strong  
And right the wrong  
Inflicted on you and me

WOODLAND CREATURES

What we want is a brand new life  
For every brother and sister - husband and wife  
For the single and lonely, living in fear  
What we want is a brand new year

CROW

You know there are changes waiting in the future  
Some of them'll hurt yer, some of them'll suit yer  
One thing to be certain of  
You control your own destiny

WOODLAND CREATURES

What we want is a brand new life  
For every brother and sister - husband and wife  
For the single and lonely, living in fear  
What we want is a brand new year

JAY and BADGER

What we want is a new conception  
A child to lead us out of here  
Free from mistrust with no deception  
What we want is a brand new year

CROW JAY

While the midnight bells are rung  
We are waking from a peaceful dream  
Where children go to school  
And play the fool  
Decide their own destiny

HOGARTH

While this year's still young  
You've got to show us that our kids are totally free  
They wanna go to school, they wanna play the fool  
They gotta decide on their own destiny  
They have to guide the course of their own destiny  
They gotta have pride enough to know their own destiny

WOODLAND CREATURES

What we want is a brand new year  
Open your hearts and set them free  
What we want is a brand new life  
And to decide on our own destiny

HOGARTH CROW

What do we want  
What do we need  
What do we want right now  
What do we need right here  
We want a brand new life now  
We need a brand new year

JAY

Woooooooooooooh!

CHORUS

All shall be well  
And all shall be well  
And all manner of things
