For every brother and sister - husband and wife
For the single and lonely, living in fear
What we want is a brand new year

CROW

While this year is still young enough for laughter We must insist that no tears follow after Resolve to be strong And right the wrong Inflicted on you and me

WOODLAND CREATURES

What we want is a brand new life
For every brother and sister - husband and wife
For the single and lonely, living in fear
What we want is a brand new year

CROW

You know there are changes waiting in the future Some of them'll hurt yer, some of them'll suit yer One thing to be certain of You control your own destiny

JAY and BADGER

What we want is a new conception A child to lead us out of here Free from mistrust with no deception What we want is a brand new year

CROW JAY

While the midnight bells are rung
We are waking from a peaceful dream
Where children go to school
And play the fool
Decide their own destiny

HOGARTH

While this year's still young
You've got to show us that our kids are totally free
They wanna go to school, they wanna play the fool
They gotta decide on their own destiny
They have to guide the course of their own destiny
They gotta have pride enough to know their own destiny

WOODLAND CREATURES

What we want is a brand new year Open your hearts and set them free What we want is a brand new life And to decide on our own destiny

HOGARTH CROW
What do we want
What do we need
What do we want right now
What do we need right here
We want a brand new life now
We need a brand new year

JAY

Woooooooooh!

CHORUS

All shall be well And all shall be well And all manner of things
