Save It For Later

Pete Townshend

Two dozen other dirty lovers Must be a sucker for it Cry, but I don't need my mother Just Hold My hand while I come To a decision on it Sooner or later Your legs give way, you hit the ground Save it for later Don't run away and let me down Sooner or later You hit the deck, you get found out Sooner or later You run away, run away and let me down

Black air and seven seas and rotten through But what can you do? Sometimes I don't know how get on with you lot Sometimes I don't try I just now, now, now, now

Sooner or later Your legs give way, you hit the ground Save it for later Don't run away and let me down Sooner or later You hit the deck, you get found out Save it for later Don't run away, don't run away and let me down

Two dozen other stupid reasons Why we should suffer all this I can't see teeth to find a reason Just to him I come To a decision on it

Sooner or later Your legs give way, you hit the ground Save it for later Don't run away and let me down Sooner or later You hit the deck, you get found out Save it for later Don't run away, you run away and let me down

Why don't you hold me Why don't you hold me and kiss me Why Don't you hold me Why don't you hold me and kiss me now Save it for later baby Save it for later honey Don't run away, Don't run away and let me down Don't run away, Don't run away and let me down
