## **Secondhand Love**

**Pete Townshend** 

Don't bring me secondhand love Don't bring me secondhand love I know you went out tonight Who've you been hanging around with this time? I don't care if he's black or white I just don't like his kind. I don't want your secondhand love I don't want your secondhand love I don't want your secondhand love Don't bring me secondhand love

He's been leaving his scent on you I can sense it from a mile All my money is spent on you But you're still selling your smile Don't bring me secondhand love Don't bring me secondhand love I don't want your secondhand love I don't want your secondhand love

Give your love, and keep blood between brothers Give your love, and keep blood between brothers I don't want your secondhand love

I can guess where you've been tonight You've been hanging out on the street Wearing your dress too tight You're showin' out to anyone you meet But I don't want your secondhand love I don't want your secondhand love Don't bring me your secondhand love Don't bring me your secondhand love

I want the first call on your kiss Answer me one question:can you promise me this I want my defenses laying in your hands I don't want to rest in the palm of another man I don't want your secondhand love Don't want, Don't want, your secondhand love I don't want, I don't want, your secondhand love I don't want,I don't want your secondhand love I don't want,I don't want your secondhand love
