

## Sleeping Dog

Pete Townshend

Sleeping dog by the open fire  
You're sleeping your life away  
You don't know how far you've got to go  
Or the trouble that you'll have to face

Yet all I can do is love you  
Provide you with some fun and food  
All I can do is love you  
And that is what I do

Sleeping children laying in your beds  
Tomorrow you'll be back at school  
You look so young but you've come so far  
You'll never be any soul's fool

All I can do is love you  
Provide you with some fun and food  
All I can do is love you  
And that is what I do

(instrumental verse)

All I can do is love you  
Provide you with some fun and food  
All I can do is love you  
And that is what I do

Now I'm going up to my wife  
Baba I pray to you  
Love me just a little like I love them  
And I can do some sleeping too

All I can do is love you  
Provide you with a song  
All I can do is love you  
Like you've been loving me all along

All I can do is love you  
Provide you with a verse or two  
All I can do is love you  
And that is what I do
