

Things Have Changed

Pete Townshend

The time will come, yes I know (Di-da-di-da-doo)
You will come walkin' home (Di-da-di-da-doo)
And you'll find my address, expectin' my caress
But darlin', things have changed (Di-da-di-da-doo)
Things have changed (Di-da-di-da-doo)
Please don't come around destroyin' the happiness I've found
Things have changed (Di-da-di-da-doo, Di-doo-di-doo)

You left me once without a word (Di-da-di-da-doo)
Left me lookin' so absurd (Di-da-di-da-doo)
Now I find my way around, get my feet back on the ground
But darling, things have changed (Di-da-di-da-doo)
Things have changed (Di-da-di-da-doo)
Please don't come around destroyin' the happiness I've found
Things have changed (Di-da-di-da-doo, Di-doo-di-doo)

The only thing I can think about you
But all the same I can live without you
But darlin', things have changed (Di-da-di-da-doo)
Things have changed (Di-da-di-da-doo)
(Di-da-di-da-doo, Di-doo-di-doo)
