This can't continue, It makes no sense  
We're getting nowhere, I've lost all my confidence  
The boy wants something, I'm satisfied  
He needs attention and care our love can't provide  
And then there's the matter of us.

I'd like to prove that I don't feel that you've seen the best of me  
I've stood up for the boy and I've clung to the hopes and the lies  
I wish that the pain in your gaze could again be a test of me  
But when I look in the mirror  
I believe my own eyes.

I believe my own eyes  
Know I've come to the end  
All my patience is gone  
When I'm doubtful I tend,  
To believe my own eyes

I'd like to declare this devotion and care is the life to live  
That nothing has changed and that time isn't passing us by  
But I have to say here that for us,  
There's a clear-cut alternative  
When we look at each other, we believe our own eyes.

I believe my own eyes  
Know I've come to the end  
All my patience is gone  
When I'm doubtful I tend  
To believe my own eyes.

This has gone far enough  
After all we've been through  
We can't be blamed,  
We've done all we can humanly do  
It's a time to be tough  
A time to be wise  
We must stop chasing false dreams,  
and recover our lives.

I believe my own eyes  
Know I've come to the end  
All my patience is gone  
When I'm doubtful I tend  
To believe

I'd like to believe that I don't feel that we've seen the best of us  
And the way to believe is to see where the real future lies  
I hope that the pain in your gaze can again be a test of us  
But when I look in the mirror  
I believe my own eyes

Let's believe our own eyes  
Know we've come to the end

All our patience is gone  
Let's admit we intend  
To believe our own eyes  
To believe our own eyes
