

# Won't Get Fooled Again

Pete Townshend

We'll be fighting in the streets with our children at our feet  
And the morals that they worship will be gone  
The men who spurred us on sit in judgment of all wrong  
They decide and the shotgun sings the song

I'll tip my hat to the new constitution take a bow for the new  
revolution  
Smile and grin at the change all around pick up my guitar and p  
lay  
Just like yesterday then I'll get on my knees and pray  
We don't get fooled again

The change it had to come we knew it all along  
We were liberated from the fold that's all  
The world looks just the same and history ain't blamed  
'Cause the banners, they are flown in the last war

I raise my hat to the new constitution take a bow for the new r  
evolution  
Smile and grin at the change all around pick up my guitar and p  
lay  
Just like yesterday then I'll get on my knees and pray  
We don't get fooled again, no, no, we don't get fooled again

I'll move myself and my family aside  
If we happen to be left half alive  
Get all my papers and smile at the sky  
Though I know that the hypnotized never lie  
Do ya?

There's nothing in the street looks any different to me  
And the slogans are replaced, by the bye  
The parting on the left is now parting on the right  
And the beards have all grown longer overnight

I'll tip my hat to the new constitution take a bow for the new  
revolution  
Smile and grin at the change all around pick up my guitar and p  
lay  
Just like yesterday then I'll get on my knees and pray  
We don't get fooled again don't wanna get fooled again, no, no

Meet the new boss  
Same as the old boss
