

Search Your Heart

Pete Yorn

And you search your heart
And you search your heart
And you search your

I just wanna tell you
I don't know why
If you find the answer
I'll be inside
Arranging time

You won't find another dummy wait for you
So don't hate the one who lives for you
Don't blame him for your trouble

And you search your heart
And you search your heart

I don't need the answer
I just don't know
If you'd find it one day
I know that your strength is gone
And you are shattered

Don't make me for I live for you (live for you)
Don't make me do things you want to
Don't blame me for your trouble

Once you know, once your over the top of the hill
Your whole life ain't no supermarket store
And you know this
And it shows
And it shows
Yeah yeah yeah yeha

So don't blame the boy who is there for you
Don't make him do things you want to
Don't blame him for your trouble
Don't hate him for your trouble
Don't blame him for your ooh

And you search your heart
And you search your heart
And you search your
