

Run Like Hell

Peter and the Test Tube Babies

I was down the local disco getting' off with this girl., things were going really good, going really well.

We was alone in a corner kissing and then I heard, this bloke come up behind me and say ..

" Oi, that's my fucking bird!! "

Down the local disco eyeing-up some skirt, she was giving-it all that, god she was a flirt.

She came up to me and said: "Do you wanna dance ?" Well I thought this is it I'm in here with a chance.

Then this bloody great big geezer said, " 'ere mate that's my girl"

Well I didn't want no trouble, so I run like bloody hell.

Run like hell, run like hell.

Alone at a party pissed out of me head, well I don't know how I get there but I ended up in bed.

When I woke up in the morning I was alone no more, but as I was getting dressed her boyfriend came in thru the door.
