

## Temptation

### Peter and the Test Tube Babies

I'm walking on fire, I'm painting the whole sky blue.  
Can't control my desire, can't keep my hands off of you.

There's one thing I can't resist .. temptation.

Jungle sensitivity, feeling like a child.  
Take a trip to the root of my tree, send me running wild.

I'm climbing mountains, for those peaks of pleasure.  
I'm spending fortunes, on a life of leisure.
