Baby, when I met you there was peace unknown I set out to get you with a fine tooth comb I was soft inside, there was something going on You do something to me that I cant explain Hold me closer and I feel no pain Every beat of my heart We got something goin on Tender love is blind It requires a dedication All this love we feel Needs no conversation We ride it together, ah-ah Makin love with each other, ah-ah

Islands in the stream
That is what we are
No one in-between
How can we be wrong
Sail away with me to another world
And we rely on each other, ah-ah
From one lover to another, ah-ah

I cant live without you if the love was gone Everything is nothin if you got no one And you did walk in tonight Slowly loosen sight of the real thing

But that wont happen to us and we got no doubt Too deep in love and we got no way out And the message is clear This could be the year for the real thing

No more will you cry
Baby, I will hurt you never
We start and end as one, in love forever
We can ride it together, ah-ah
Makin love with each other, ah-ah

Islands in the stream
That is what we are
No one in-between
How can we be wrong
Sail away with me to another world
And we rely on each other, ah-ah
From one lover to another, ah-ah

Sail away
Oh, come sail away with me

Islands in the stream
That is what we are
No one in-between
How can we be wrong
Sail away with me to another world
And we rely on each other, ah-ah
From one lover to another, ah-ah
