

Kid

Peter Andre

I remember how I used to drift around a day
But then you burst into my life and everything changed
You are the smallest and the greatest thing I ever knew
But at this age I act twice my age and tell me what to do

And Heeey, don't you notice me?
Cause I am noticing you, around here
Oh, kid come on
I am right here, so come on
The things that I do
Well, they ain't no fun without you

You are laughing, you are crying
You don't play fair
If you do something good I'll clap
If I do, you don't care

Oh, I am lousing, but I am doing the best that I can do
So, unless you get me how to box some just as long as you

And Heeey, don't you notice me?
Cause I am noticing you, around here
Oh, come on, hey kid, come on.
I am right here, so come on
The things that I do
Well, they ain't no fun without you

Oh, like a piano I will handle you, it's such a kid
I will play the boogie-
woogie like it's '94 and fight as if we were there
Oh, and the years will fly past us like a subway train
But until that day, when I am old and gray
Let's rock those years away

Singing Tum-taram Tum-taram Tum-taram-taram
Tum-taram Tum-taram

Oh, come on!
Hey now, kid come on!
What did you do, right here?
Hey kid, come on!
The things that I do
Well, they ain't no fun without you
No, they ain't no fun without you, no!
