

# Never Gonna Give You Up

Peter Andre

If you're asking me, to tell you that  
I don't care about ya, I could be living without ya  
I'd have to go and let you down  
'Coz girl you know that that just ain't true

If you like it, if you want it  
Stay a little longer girl it makes me wanna  
If you need it, let me know that you feel it  
'Coz tonight is gonna be all about you

'Coz I'm never gonna give you up  
Letting you down is something I can never do, no  
'Coz I'm never gonna give you up  
Letting you know that it's all about me and you, now

I guess I'm asking you to stay a while  
You need to understand that, I won't take you for granted  
I cherish she and every time I look at you I'm electrified

'Coz I like it, the way that you move it  
'Coz your love is just a reeling, I can't fight this feeling  
Baby don't stop it, just do what you're doing  
'Coz there's nothing I won't do tonight

'Coz I'm never gonna give you up  
Letting you down is something I can never do, no  
'Coz I'm never gonna give you up  
Letting you know that it's all about me and you, now

Ain't never gonna give you up, ain't never gonna give you up  
Ain't never gonna give you up, ain't letting you down  
Ain't never gonna give you up, ain't never gonna give you up  
Ain't never gonna give you up, ain't letting you down

Ain't no doubt about it, gonna give you all that I got  
Ain't gonna be able stop it, you know what I'm talking about

'Coz I'm never gonna give you up  
Letting you down is something I can never do, no  
'Coz I'm never gonna give you up  
Letting you know that it's all about me and you, now

'Coz I'm never gonna give you up  
'Coz I'm never gonna give you up  
Letting you know that it's all about me and you, now

Ain't never gonna give you up, ain't never gonna give you up  
Ain't never gonna give you up, ain't letting you down  
Ain't never gonna give you up, ain't never gonna give you up  
Ain't never gonna give you up
