

# Turn It Up

Peter Andre

It's friday night  
gotta get ya groove on  
have me some fun, got to make a move on  
all the ladies in the house  
lookin' sexy  
now is the time  
to bump n' grind

it's got me goin' crazy  
I'm so alive  
I've got this feeling  
and it feels so right  
move over ladies 'cause we've got the ingredients  
to make it right.....tonight

I you....you got it goin' on  
I.....I wanna turn you on  
you...you got it goin' on  
all the ladies got it goin' on

Turn it up  
Turn it up  
Turn it up  
Turn it up

The music's jumpin'  
the party's on  
those pretty ladies got it goin' on  
I don't need no 'this' 'n' 'that' to get me on a high  
spoken just turn it up  
all I'll be satisfied

It's got me goin' crazy  
I'm so alive  
I've got this feeling  
and it feels so right  
move over ladies 'cause we've got the ingredients  
to make it right.....tonight

I you....you got it goin' on  
I.....I wanna turn you on  
you...you got it goin' on  
all the ladies got it goin' on

It's time to party so let's get it on  
feel the vibe 'n' the groove of the song  
it hits ya (yeah) right between the eyes  
so get down ladies, 'n' all of the guys  
movin' on the floor  
till ya can't move no more  
c'mon till ya done  
you know the score  
everybody throw ya hands in the air  
c'mon ya know the party's over here

I you....you got it goin' on  
I.....I wanna turn you on

you...you got it goin' on  
all the ladies got it goin' on
