

From Now On

Peter Bjorn and John

From now on, I'm gonna let it happen, from now on, from now on
From now on, I'm gonna let it pass, from now on, from now on
Things that happen just once, once or twice
Might cut you down to size, cut you down to size, in your life

From now on, I'm gonna let it happen, from now on, from now on
From now on, I'm gonna let it pass, from now on, from now on
Things that happen just once, once or twice
Might cut you down to size, take you by surprise, in your life

I'm tired, I'm tired, I'm tired
I'm tired, I'm tired, I'm tired
