

Goodbye Again, Or...

Peter Bjorn and John

These days I'm awful tired
And you know why, and you know why
Why can't you try
You know that I'm not sleeping, not sleeping well
Yes you can tell, why can't you try
To bring some peace to my mind

I'm not trying to be clever
I'm trying to be straight, now get this straight
It's not too late for you to
Say goodbye the straight way
Say goodbye in the best way
