

I'm Losing My Mind

Peter Bjorn and John

I'm losing my mind
Way behind
I'm losing my mind
That's why, I ain't fine
That's why, I ain't fine

It's coming to get me
It's hear to collect me
I can laugh if I have to
But it won't make me happy
That's why, I ain't fine
That's why, I ain't fine

I'm losing my mind
Way behind
I'm losing my mind
That's why, I ain't fine
That's why, I ain't fine

(3x)
I'm losing my mind
Way behind
I'm losing my mind
Way behind
