

I Want You!

Peter Bjorn and John

We stayed and talked about fear
She won't cry
And this time I know it's not for real
For sure, she kept asking for more
What a waste of money
And feelings we don't have
Don't choke he's coming your way
Bound to choose the wrong choice again
Oh my god, is it that hard
For you to see that I want you!

Cold feet, your sister is sweet oh so sweet
But listen: -it's you I like to meet
Calm down, you act like a clown
I don't get this movie, it only brings me down
So down and I don't know why
It's supposed to be one of a kind
Can't pretend and here comes the end
And I can't help it I want you!
