

## Le Crique

Peter Bjorn and John

Stranger than strange,  
Carpets moving me around, for the first time  
This is what I found  
Drawing by numbers and still not understanding any of it  
This is what I found, moving me around

Try to lay down, breathing slow,  
Gasping for air and raising a dust  
I got bored before  
Now there's a difference, new brand of motivation  
Moving me around, safety net pulled down
