

## Start Making Sense

Peter Bjorn and John

I was drinking what you drank  
Still I don't feel good  
Not at all  
Not at all

I was having what you had  
Still I don't feel good  
Not at all  
Not at all

I'll prepare to take a stand  
Normal people talk  
About it all  
About it all

I decided to make sense  
Stop acting strange  
Nevermore  
Nevermore
