

Lay Your Head Down

Peter Bradley Adams

Beautiful sleeping baby
Don't let it pass you by
When the leaves on the autumn trees all die
What do you find?
What do you find?
Lay your head down, lay your head down
Lay your head down, lay your head down

Beautiful sleeping baby
Sail on the river wide
When the leaves of autumn trees all die
Baby don't cry
Baby don't cry
Lay your head down, lay your head down
Lay your head down, lay your head down

[Musical Interlude]

Lay your head down, lay your head down
Lay your head down, lay your head down
