Peter Cetera

You really took me by surprise
You're someone I've needed for a lifetime
Your heart was cleverly disguised
But it didn't look that way in my mind

Tell me how can it be I was the last to know
Darling I couldn't read what was in your mind
To turn around and to love me

With no explanation
I gave you everything I had
I didn't know that you would take it
With sweet consideration
And after all that we've been through
I can't believe it's true
Until I hear you say

My mouth is still wet from our last kiss
Was loving me your one intention
What were the signs and the times that I missed
Oh I need you more than I could mention

I won't ever accept you leaving for someone else
Baby and when something is wrong
Darling I need to know
Don't ever leave me

With no explanation
I gave you everything I had
I didn't know that you would take it
With sweet consideration
And after all that we've been through
I can't believe it's true
Until I hear you say
