

## On the Line

Peter Cetera

I was drivin' along at the end of the day  
I was weary and so all alone  
Looking ahead by the side of the road  
What I saw was the sign "Telephone"

Talking to you is something I need  
More than I needed before  
If I ever get through won't you give me the time  
Won't you answer my call, won't you stay on the line

It's a moment of truth then a shadow of doubt  
Now I need you to stay on the line  
It's never as bad when we're talkin' it out  
Now I need you to stay on the line

Talking to you is something I need  
More than I needed before  
If I ever get through won't you give me the time  
Won't you answer my call, won't you stay on the line

Answer my call, won't you stay on the line

I believe I have a right to say  
What I want to say  
And I believe it but I'm keeping it to myself  
I believe I have a right to do  
What I want to do

All of my life, all of my life  
All of my life, all of my life

I believe I have a right to be  
Where I want to be  
I believe it and I want to be there with you  
I believe I have a right to see  
Who I want to see

Talking to you is something I need  
More than I needed before  
If I ever get through won't you give me the time  
Won't you answer my call, won't you stay on the line  
(2x)

All of my life, all of my life  
All of my life, all of my life
