

# Restless Heart

Peter Cetera

I don't wanna lose you  
I don't want you walking away  
We're so good together  
Tell me it's forever  
'cause I want you to stay  
I'll be damned if I'm living without you  
And as long as I live, you will know  
I just wanna build my world around you  
Don't want you to go

Don't leave me here  
with my restless heart  
The one you filled with emotion baby  
Right from the start  
'Cause the hardest part  
Is being alone  
With my restless heart

Tell me where you want me  
Anytime I don't care  
Tell me when you need me  
'Cause baby when you need me,  
I will be right there

I don't wanna build a wall around you  
Don't want you to go

Don't leave me here  
with my restless heart  
The one you filled with emotion baby  
Right from the start  
'Cause the hardest part  
Is being alone  
With my restless heart

I'll be damned if I'm living without you  
And as long as I live, you will know  
I just wanna build my world around you  
I don't want you to go

Don't leave me here  
with my restless heart  
The one you filled with emotion  
right from the start  
'Cause the hardest part  
is being alone  
With my restless heart
