

# When I look into your eyes

Peter Cmorik

I tried to say I'm sorry  
But you don't have to worry  
This is not another game

Girl you know my situation  
No money and no reputation  
But please don't turn and walk away

R. When i look into your eyes  
I don't need no allibies  
I'm in love with you  
And baby that's the point  
When I look into your eyes  
I don't need to compromise  
I'm in love with you  
'till the end of the world

People say I'm crazy  
But I'm strong and that's amazing  
And I hope it's gonna be alright

Baby please you'd better call me  
'cause I've been tired, sad and lonely  
And I can't stand this stupid fight

Just make life better  
We gotta stay together  
Love is on the way  
It's gonna be o.k

with you my life is better  
we gotta stick together  
and it's not too late  
love is on the way...
