

# Doesn't Get Better Than This

Peter Criss

Old time movies  
Up 'til 3  
Another night  
Just you and me  
The trip was lonely  
Nuh now we're here  
Let's lock the the door and disappear

Golden oldies (ooh ooh ooh)  
fill my soul (ooh ooh ooh)  
Rhythm and blues  
and rock and roll (and rock and roll)  
Let's listen now  
and get carried away (carried away)  
And find ourselves  
back in the day (back in the day, yeah)

It doesn't get better than this  
It doesn't get better than this  
It doesn't get better than this  
Oh, baby, now that we're alone

Remember George and his guitar  
John and Paul and Ringo Star  
The times is now  
just you and me  
Let's lock the door and let it be

It doesn't get better than this  
It doesn't get better than this  
It doesn't get better than this  
Oh, baby, now that we're alone
