

Feel Like Letting Go

Peter Criss

I feel like letting go
But my heart keeps saying no
I feel like letting go
But in the end I know

I feel like letting go
But my heart keeps saying no
I feel like letting go
But in the end I know

'Cause honey you know I love you
You know I really care
And if you ever need me
You know that I'll be there

I feel like letting go (feel like letting go)
But my heart keeps saying no
I feel like letting go (feel like letting go)
But in the end I know

Maybe in time you'll understand
Just what you're doin' to this man

'Cause honey you know I love you
You know I really care
And if you ever need me
You know that I'll be there

I feel like letting go (feel like letting go)
But my heart keeps saying no
I feel like letting go (feel like letting go)
But in the end I know

Ooo baby, what keeps us together (feel like letting go)
I really don't know
And if I could walk out that door (feel like letting go)
Oh you know I would

Baby (feel like letting go)
Come on, let me go
But there's something inside of me (feel like letting go)
Oooh, that keeps on saying no
Ooh baby (feel like letting go)
Don't you know I love you so
